

## **To renew books online:**

Go to [sbcplibrary.org](http://sbcplibrary.org)

On right side of screen, click on “login to your library account”

Login with library card barcode and password (your password should be **userpass**)

Click on your name in the top-right corner

From there you can manage your account, including:

- Renew books
- Check status of holds
- Create different lists of books you would like to check out
- Check for fines
- Look at your check out history (you must contact the library to enable previous item checkout on your account if it's blank)
