

Chicken Puzzle

1. Print out puzzle sheet on paper or cardstock.
2. Color the picture.
3. If you print the picture out on regular printer paper, you may want to glue the colored in picture to some thick cardboard. A cardboard box would work; the thin cardboard of a cereal box should be thick enough to strengthen the picture.
4. After everything has dried, carefully cut apart the pieces of the puzzle using the lines through the picture.
5. Trim edges to get rid of stray pieces of paper or cardboard.
6. Play with puzzle.
